Learn how to raise money while promoting:  
Fruit and vegetable consumption  
Physical activity  
Academic success  
Healthy lifestyles

*"It is time to junk the junk food fundraisers. As a society we are sure to spend more on the resulting diet-related diseases than we could ever hope to raise selling junk food in schools."*

*Margo G. Wootan  
Center for Science in the Public Interest  
Nutrition Policy Director*

**Working together to have the healthiest students, staff and school communities in the Nation!**
